At What Price?

Let's say a man shows up at your door on the door and says, "I saw your car drive, I always wanted one just like yours. I'll give you \$100,000 for it from you?" , what do you do?

Well, I guess it depends on how much you like your car. If it's new or has sentimental value you might hesitate. If he has a briefcase full of \$100 bills, it might not matter. If it's your first car or has great cup holders, you probably won't be selling it.

However, if the man makes the same offer for your children it won't matter how much cash he has. They aren't listening. No, You are probably escorting him off the premises. Some things are not for sale.

Satan is doing that. He wants our families, our hearts, and our very souls. He tries to convince us to give the things we love for something else.

Maybe we don't see it as clearly since he is using our own desires. He does the 'bait and switch.' Makes you think you're getting something else and then takes another from you. The cost seem very different than what it really is. The temptation and action is the same.

So why are we giving him the time of day? Why are we giving them away for? A momentary pleasure? A few minutes of fun? A night out on the town? What is our "thirty piece of silver" worth?

If you love something you would never sell it for less than what the price offered.

Why then are we putting the souls of our loved ones in the market?

Meet a Member: Bob Harris

How long have you been a Christian?

"About 59 years. I became a Christian about two years after Linda and I got married."

What's one of your favorite verses in the Bible?

"I have a lot! One part of the Bible I think about quite a bit is Isaiah 52-53 where Isaiah talks about the crucifixion of Christ."

What's one piece of advice you have for other Christians?

"If you're not a Christian I think you need to become a Christian and be faithful to the church and to the Lord. Have Christian values in your life, and don't stray away from them as you grow older."
