Men of Valor

There is a description of several groups within the genealogies of Israel which deserve our focused consideration. Several are recognized for posterity as being "mighty men of valor."

While many men will live such lives as to garner no real lasting impression on subsequent generations this shouldn't be the case with the children of God. If our time spent here on the earth is lived in such a way to bear any kind of lasting influence at all just what kind of influence will it be and just how will we be remembered? Do you press forward or shrink back? Do you stand or step aside?

Every generation of the Lord's church needs those men (and women), young and old alike, who will take a stand for the truth. Mighty men of valor! What kind of influence, what legacy, what inspiration, what remembrance will our lives have when we cross over into eternity? What we do today may well determine the answer that questions.

Be strong, be patient, be loving, be determined, be obedient, and be faithful!

The Maid of the Mist

A cartoon from the past shows a boy standing in the very front of the boat called The Maid of the Mist. This boat carries sightseers so close to Niagara Falls that they must wear rain gear to keep from being drenched by the spray. Wearing his raincoat and hat, the boy stood at the front of the boat, squirting a water pistol at the falls.

People can be like that; they aim criticisms at the Bible. Nevertheless, in the light of the Bible's continuing witness to the righteousness and love of God, any attempt to discredit its message is like squirting a water pistol at Niagara Falls.
