High Anxiety and Blessed Relief

Christians are not completely immune to anxiety. However, as Holy Spirit-filled followers of the will of God, we do have access to a God who cares for us and who will help us cope with this human reality. Consider, for instance, some things that have been discovered about human anxiety. Objective studies indicate that the average person's anxiety is focused on...

- 40% – things that will never happen.
- 30% – things about the past that can't be changed.
- 12% – things about criticism by others, mostly untrue.
- 10% – about health, which gets worse with stress.
- 8% – about real problems that will be faced.

The greatest "real problem" is the reality of sin in the life and the consequences thereof. This is the heaviest burden one can bear. By grace, God gave us Jesus Christ who pleads: "Come to Me, all of you who are weary and burdened, and I will give you rest. All of you, take up My yoke and learn from Me, because I am gentle and humble in heart, and you will find rest for yourselves. For My yoke is easy and My burden is light" (Matt. 11:28-30).

Johnny Hester

"Ask, and it will be given to you; seek, and you will find, knock, and it will be opened to you."

Matthew 7:7

ANNUAL CORPORATION MEETING 2023

OPENING STATEMENT:

This is the annual meeting of the Coffeyville church of Christ, Incorporated. The meeting is called pursuant to notice given by the Elders of this organization. It has been determined that a quorum is present. This meeting is now called to order.

For the benefit of our new members and any visitors that might be here today, some background and explanation is in order before we begin the meeting. A number of years ago the members here decided to form a non-profit church corporation, the Coffeyville church of Christ. The purpose of incorporating was to facilitate the business dealings of the church and to better protect its members from certain legal liabilities. The purpose of this meeting is an attempt to comply with the technical requirements that are associated with being incorporated.

It must be clearly understood by all present that the structure and activities of the corporation are in no way intended to alter the design of the New Testament church. The by-laws that we currently operate under in no way alter our observance of the teachings of) the Bible. C veryone here should clearly understand that we as Elders, you as Members, and even the by-

taws themselves recognize the Holy Scriptures as the ultimate authority in all things.

FIRST ORDER OF BUSINESS:

Approve the minutes from the 2022 Annual Meeting,

It has been moved and seconded that the minutes from the 2022 Annual Meeting be approved. I will now open the matter for discussion.

I am now going to close discussion on this matter. It has been moved and seconded that the minutes from the 2022 Annual Meeting be approved. All those in favor raise your right hand --- --. --All those opposed, the same sign. - The motion is passed. SECOND ORDER OF BUSINESS:
