## Keep Moving Forward

The nation of Israel had escaped slavery from Egypt. But now they found themselves being pursued by their former captors. At the shore of the Red Sea they felt that they were trapped. Many of them thought about going back to Egypt into slavery. Others were bemoaning their current dilemma. The LORD then said to Moses, “Why do you cry to Me? Tell the children of Israel to go forward” (Exodus 14:15). Other Bible versions have God saying for them to “move on.” God has always wanted His people to trust in Him and keep moving forward.

This got me to thinking about God’s people today. Many seem to have the same mindset as the Israelites. Some desire to go back to their life they had before Christ (of living in the bondage of sin). Others do not look to the future with hope and bewail their current problems. But we need to be people who trust in God and keep moving forward. Don’t look back—keep moving forward in faith, trust, hope, service, spiritual growth, love, forgiveness.

“Meditate on these things; give yourself entirely to them, that your progress may be evident to all” (1 Timothy 4:15).

## Words That Hurt

There are many warnings in the Bible about the consequences of our words. The most powerful is expressed by Jesus. He said, “But I tell you that men will have to give account on the day of judgment for every careless word they have spoken” (Matt. 12:16). Please don’t let your words hurt someone this week. Think about the consequences.

## World Christian Broadcasting to be here

Mark your calendars for April 7, 2024, to learn more about World Christian Broadcasting Inc. when Andy Baker, President/CEO of WCBC, will spend the day with us at Coffeyville Church of Christ.

Starting with class time at 9:30 a.m. Baker will share an update on WCB and its official Mission Statement: “World Christian Broadcasting exists so that people in places best served by broadcast media become aware of the Good News of Jesus Christ and want to know more.”

Baker will preach at the morning service and then again at the 6 p.m. service and will also join us for the monthly potluck birthday luncheon.

World Christian Broadcasting’s international shortwave broadcasting communicates the Good News to millions every day. KNLS, located at the top of the world in Anchor Point, Alaska, has been on the air since 1983. A new station, located on the island of Madagascar in the Indian Ocean, began operating on Easter Sunday, March 27, 2016.
