From The heart of the preacher:

My dear brothers and sisters in Christ. I want you to know that Judy and I are blessed and thankful for this God-given opportunity to return to Coffeyville, Kansas, and to labor with you in the work of the Lord. Whether by counseling, preaching, or teaching, my passion has always been in God's Word; it is our touchstone, our reference point, our compass, our light as we journey with the Lord through this world, knowing that "as we walk with the Lord in the light of His word" we will at last reach our desired haven of rest. In the meantime, I'm here for you, to serve, help, encourage, inspire, exhort any way I can. I'm usually in the office Monday – Friday, from 8 am–12 pm – my truck may not be there, but I am - and you're always welcome to stop in; my door will always be open to you. Aside from that, I am willing to meet with you any time, anywhere, any place. We need the light and warmth of each other's spiritual fire, and your welcome at my fire any time; and I trust I am welcome at yours. May God grant you the faith, courage, and strength you need as you journey with Him this week.

A Lovely Light

A candle's but a simple thing...
It starts with a just a bit of string,
Yet dipped with patient hand,
It gathers wax upon the strand
Until, complete and snowy white,
It gives a lovely light.

Life seems so like that bit of string...
Each deed we do, a simple thing,
Yet day by day if on life's stand
We work with patient heart and hand,
It gathers joy, makes dark days bright,
And gives at last a lovely light.

World Christian Broadcasting to be here

Mark your calendars for April 7, 2024, to learn more about World Christian Broadcasting Inc. when Andy Baker, President/CEO of WCBC, will spend the day with us at Coffeyville Church of Christ.

Starting with class time at 9:30 a.m. Baker will share an update on WCB and its official Mission Statement: "World Christian Broadcasting exists so that people in places best served by broadcast media become aware of the Good News of Jesus Christ and want to know more."

Baker will preach at the morning service and then again at the 6 p.m. service and will also join us for the monthly potluck birthday luncheon.

World Christian Broadcasting's international shortwave broadcasting communicates the Good News to millions every day. KNLS, located at the top of the world in Anchor Point, Alaska, has been on the air since 1983. A new station, located on the island of Madagascar in the Indian Ocean, began operating on Easter Sunday, March 27, 2016.
