Ask for the Old Paths

Christianity is not some newfangled way gotten up in modern times by men more zealous than well-informed. The whole of Christianity is in the New Testament. Anything in religion which is not as old as the New Testament is no part of Christianity. The "Old Paths" for us are the ways traveled by the apostles and early Christians who were guided into all truth by the Holy Spirit (Jeremiah 6:16; John 16:13). The New Testament gives us a history of the church of Christ for nearly three-quarters of a century. You should choose that church today, and make your life as a member of it conform to the New Testament doctrine.
